

Alan David Freedman

Director of Client Services

Alan Freedman joined ITAC in mid-2000, bringing with him over thirty years of business experience in Financial Services, Industrial Sales, Marketing, Client Development and Sales Management.

During his time at ITAC as Director of Client Services, he has worked with a numerous manufacturing companies in a wide variety of industries. This includes a multi year engagement with a spring manufacturer delivering a full range of services in Lean Manufacturing, ISO registration, plant layout, customer service and sales training, job recruitment, Human Resources development, website creation, and factory team building training. He has worked for five years with an aerospace parts manufacturer and Boeing supplier on several Lean Manufacturing initiatives, and an ERP implementation. Alan also works with a manufacturer of high end recessed lighting fixtures used in museums, and galleries. Engagements have included Lean Manufacturing implementation, plant layout, human resources development and services to facilitate the companies relocation to a new facility.

Alan holds a B.A. in History from Temple University in Philadelphia, PA, and received his legal education at Villanova University School of Law. He has received training in Lean Manufacturing, Wilson Sales Training, Sandler Sales Training, Executive Access, and Transformation Management.
