

“Two-thirds of the world’s purchasing power is located outside of the United States and exports have been growing two or three times faster than the economy as a whole.”

*Luz Araoz Hopewell, Director
Office of International Trade
US Small Business Administration*

Global trade is no longer a luxury. For food manufacturers who want to grow, it’s a MUST!

Want to enter international food markets? Don’t let fear and/or inexperience impede your entry into this burgeoning market.

Already exporting food but want to increase market share? Become strategic about exporting and develop a customized, executable international plan.

Want to minimize risk and maximize opportunity? **ExporTech** offers expert assistance, guidance and ongoing support as it leads you through a facilitated process proven to prepare your firm for profitable growth in global markets.

Hear what participants are saying:

*“...helped us get moving and take action.”
David Haber, President, David W. Haber
and Son*

*“... opened our eyes....We have already avoided costly mistakes thanks to the program.” Danny Englander, VP Finance,
Rosco Mirror.*

*“...introduced us to logistics experts and vendors, allowed us to find immediate answers to question...” Alix Calligeros, VP,
Remains Lighting*

GOT FOOD?
